

# Hedgehog Signs

(C) Gillie Muir and Pat Morris

## Track

- Five short toes on each foot
- Fore foot 4cm x 2.5cm
- Hind foot longer, 4.5cm x 2.5cm
- Long, sharp claws

## Poo

- Blue-black
- Rounded at the ends
- Sweet smell, if any
- May contain shiny insect legs and wing cases
- Dropped at random

Up to 5cm long x 1cm diameter

(C) Cetra Coverdale Pearson

## Nest

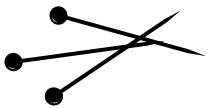

- Made with leaves, grass and moss
- Summer 'day nests' are built in the grass
- Winter 'hibernation nests' are 50cm diameter, like a football
- 'Hibernation nests' are built under a hedge, shed or in a tree hole or rabbit hole, for protection!

(C) Gillie Muir and Pat Morris

## Spines & Skull

(C) Canva

- Covered in sharp spines
- Brown and cream
- Coarse hairs on the face and underside
- Shallow skull, small brain
- Long rows of pointed teeth
- 10 upper, 8 lower teeth
