

# Hedgehog

Up to  
2kg

Hedgehogs have small eyes and ears. They have 1,000's of prickles!

Hedgehogs build summer nests in the grass. Winter hibernation nests are built under the cover of a hedge, tree or shed.

Hedgehogs are nocturnal.

## Hedgehog Food

Hedgehogs live for 2-3 years.

3

There are 4 or 5 hoglets in a litter

Hedgehogs live in hedges, farmland, woodland edges, grassland, gardens and parks.
