

# Babies and Nests

## Harvest Mouse

A litter of 6 pups,  
3 times a year.  
That's up to **18!**

Builds a ball-shaped nest,  
high off the ground

## Hedgehog

A litter of 4 or 5 hoglets,  
1 or 2 times a year.  
That's up to **10.**

Nests in long  
grasses.  
Under  
cover, in  
winter

## Rabbit

A litter of 3-7 kittens,  
6 times a year.  
That's up to **42!**

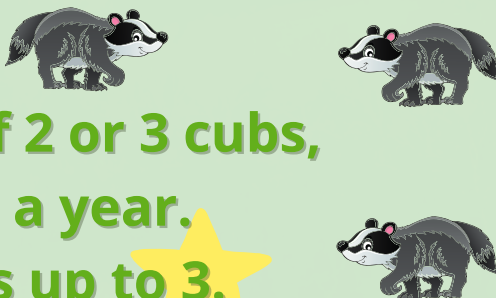

Nests  
underground  
in a warren

## Badger

A litter of 2 or 3 cubs,  
once a year.  
That's up to **3.**

Nests  
underground  
in a sett

## Red Deer

Usually 1 calf,  
once a year.  
So just **1.**

Just on the  
ground,  
hidden  
away
